From haunting whispers and tropical polar bears to a shapeless monster and an omnipresent set of numbers, *Lost* has provided a never-ending supply of questions and few answers. Using the characters and themes from the show, Marc Oromaner delves into its complexities while uncovering a simple, yet fulfilling, resolution that can provide meaning for everyone. According to the myth of *Lost* the world we live in is an illusionary wonderland created to challenge us to reach new heights. Through intriguing examples, Oromaner explains how this myth can help us find the clues in our own lives, and ultimately, solve them.

Many of us have been lost at one time or another, yet Oromaner illustrates that we are all connected, and are here to improve ourselves and help others do the same. By deciphering the mysteries of a groundbreaking series, *The Myth of Lost* introduces us to a new way of thinking and shows how we play an integral part in determining our own fate.

Reviews: “A compelling, fascinating read for fans of the show. I've pondered numerous ways the *Lost* producers could end the series, but rarely has anyone presented an argument as detailed as the one found in *The Myth of Lost*.” – Don Williams, BuddyTV Staff Writer

“Oromaner's theory is the best I've read and easy to follow. The book itself is a lot of fun with writing that's intelligent and witty, yet retaining a conversational feel. In short, *The Myth of Lost* is a must-read for serious *Lost* fans (and hopefully the *Lost* writers).” – Shannan “lost_grrl” Korn, The Tailsection's forum administrator
